B. H. PECK.

Timothy W. Rippee, who has been a successful farmer in the Eight Mile section for the past several years, will depart shortly for his old home in Missouri, having retired from business in this section. He is interested in an estate in the old home state and will return there to help in settling it up. For the past three years Mr. Rippee has been farming a portion of the Stanton place on Eight Mile and after settling up this fall he is well pleased with the results. He has received good returns for his labors. Mr. Rippee is a worthy young man and has a nice family and this paper regrets that he will leave the county. He states, however, that he may decide to return here as he feels that there are few places offering better advantages for getting a start in the world than does Morrow county, and he and his family have formed many associations here that they regret to sever.

A jolly good time was had in School Dist. No. 33, where Mrs. Clara Beamer is the teacher, on Friday evening last. Spooks and hobgoblins abounded and the decorations of the building were such as to cause shivers to pass up the spinal column of the uninitiated. The pupils also prepared a nice program of a literary nature which was rendered to an appreciative audience composed largely of the patrons of the school. The entertainment was given with the idea of raising a sum of money to purchase some play apparatus for the grounds and \$13 in coin was the net result. Mrs. Beamer is endeavoring to make her school a standard school and the cash raised at this entertainment will help this along. Some improvements are also contemplated with reference to the school building itself and should these be made, all the points of standardization will have been reached.
